SIESTA™

Fabric Softener

Suavizante de telas

PACKAGE	NET CONTENTS	PALLET	VARIETIES	ORIGIN
19 L pail with lid	**5 US gal (18.9 L)**	**36 pails**	**7**	**Made in Mexico**

Description

A liquid fabric softener for the final rinse, by machine or by hand. It softens fabrics, reduces static cling and wrinkles, makes ironing easier and leaves a lasting scent. For all washable fabrics: clothing, towels, sheets and curtains.

Directions

Shake well. Add 1/2 cup (120 mL), diluted in water, to the final rinse (5 gal / 20 L) or to the softener dispenser. Hand wash: soak 10 to 20 min; do not wring or rinse. Never pour undiluted on fabrics. Not for children's sleepwear or garments labeled flame resistant.

Typical properties

Form	Semi-viscous liquid
Color	Varies by variety (see table)
Scent	Varies by variety (see table)
pH (as supplied)	3.5–4.0
In water	Completely soluble; dilute before use

Varieties: scent and color

Product	SKU	Scent	Color	Notes
SIESTA™ TARDE DE LAVANDA	BJS-FSA-5G	Lavender	Violet	
SIESTA™ FIESTA CÍTRICA	BJS-FSB-5G	Fresh	Yellow

SIESTA™ PAPEL PICADO	BJS-FSG-5G	Fruity Floral	—	

All varieties share the same base formula and directions. They differ only in scent, color and the notes shown.

Ingredients

Water, TEA-Esterquat, Isopropyl Alcohol, C11-14 Isoalkyl Alcohol Ethoxylate, Polymer Thickener, Sodium Benzoate, Methylchloroisothiazolinone, Methylisothiazolinone, Formaldehyde, Fragrance, Colorant. Contains fragrance allergen(s).

The dye-free variety (TRANQUILA) has the same ingredients without Colorant. Each variety's exact list is on its label.

Safety

DANGER **CAUSES SERIOUS EYE DAMAGE · HARMFUL IF SWALLOWED**

KEEP OUT OF REACH OF CHILDREN. Contains: TEA-esterquat (cationic softening agent).

Precautions: Avoid contact with eyes. Do not swallow. Keep lid closed; store upright, away from direct sun and heat.

First aid: IF IN EYES: Rinse with water for 15 minutes, holding eyelids open; remove contact lenses. Get medical attention right away. IF ON SKIN: Rinse with water. IF SWALLOWED: Rinse mouth, drink 1 to 2 glasses of water; do not induce vomiting. Call Poison Help 1-800-222-1222 or a doctor.

⚠ **CA WARNING:** Cancer risk from exposure to formaldehyde. See www.P65Warnings.ca.gov.

Hazard classification as in the Safety Data Sheet (serious eye damage, Category 1). Do not mix with other chemicals. Not a disinfectant. Safety Data Sheet: baja.supply/sds.

Storage and handling

Keep the pail closed and upright in a cool, dry place, away from direct sunlight and heat. Clean up spills with plenty of water.

Package and labeling

Each pail carries an English product label with directions, cautions, ingredients, lot code and net contents, plus a bilingual drowning warning for the pail.
